News Release

No Interruptions in Fire Services

The Village of Carbon has notified Kneehill County that effective immediately, and until further notice, the Village of Carbon is placing the operational status of the Carbon Fire Department on hold.

Kneehill County has made arrangements with our other municipal partners to ensure continued and uninterrupted fire/emergency services to Kneehill County residents. All other fire services remain on operational status and in the event of an emergency or fire, residents are encouraged to call 911 for assistance.

For further information and updates, Kneehill County residents are invited to contact the County at 403-443-5541, or visit the Kneehill County website at www.KneehillCounty.com. Village of Carbon residents are directed to contact the Village of Carbon office.
