Reeve Jerry Wittstock  
Kneehill County  
PO Box 400  
Three Hills AB T0M 2A0

Dear Reeve Wittstock and Council,

Thank you for your participation and cooperation in the preliminary review conducted by my ministry. As you know, the preliminary review was in response to the petition submitted by residents of Kneehill County requesting an inquiry be initiated in the county.

The purpose of the preliminary review and of the screening was to identify the concerns and issues that led to the petition. A municipal inspection is an extraordinary measure and is not undertaken lightly.

While some minor issues were noted with respect to the governance and operation of the county, the concerns identified were not of sufficient severity to warrant a municipal inspection in Kneehill County. For the issues identified, my ministry will continue to offer support and advisory services.

Municipal Affairs will continue to provide ongoing support to the county in addressing residents' concerns through advisory services and training opportunities, at the request of council or your administration.

Sincerely,

Hon. Shaye Anderson  
Minister of Municipal Affairs
