Minister of Municipal Affairs Decision: Municipal Inspection Not Warranted

Kneehill County Reeve Jerry Wittstock and Council have been notified by the Minister of Municipal Affairs that no further action will be taken in response to a petition submitted by the residents of Kneehill County.

A preliminary review was conducted by ministry staff in December.

Advice from ministry staff indicates that addressing “minor issues” identified in the recent Municipal Affairs Municipal Accountability Program (MAP) audit that Kneehill County undertook voluntarily in the fall, as well as improved communications between Council, Administration and residents “...would address any items of concern from the standpoint of Municipal Affairs.”

Staff has already addressed 5 of the 6 items identified in the MAP audit. Council will address a renewed commitment to communications in an upcoming Strategic Planning Retreat.
