

March 9, 2020

For Immediate Release:

A collision involving a train and a B-Train propane truck took place at 14:55, at the railroad crossing located along Railway Avenue in the hamlet of Swalwell. 100 residents of Swalwell have been evacuated or displaced.

Evacuees are asked to please register at the Reception Centre at the Prairie Bible Institute Cafeteria: [350 5th Ave North, Three Hills, AB](#). **Please continue to avoid the area.**

Both vessels of the propane truck have been impacted. The severity of the leak is unknown at this time, but due to the nature of the product every precaution is being taken. Fire crews, EMS and CN Police are on scene.
